2011 Legal ELITE

Our ninth annual listing of Georgia's top attorneys, selected by their peers, includes eight practice areas: business law; personal injury litigation; criminal law; labor and employment; taxes, estates and trusts; bankruptcy and creditors' rights; family law; and general practice/trial law.

To compile the list, we mailed ballots to a sampling of attorneys who are members of the State Bar of Georgia and whose practice areas correspond to those we are featuring. We also put a ballot on our website, georgiatrend.com, which could be downloaded and sent to us or submitted online.

Any attorney who is a member of the state bar and lives and practices in Georgia was eligible to vote and to be voted onto the list. Respondents were not allowed to vote for themselves; they could vote for other members of their firms if they voted for an equal or greater number of attorneys outside their firms.

The names of the top vote recipients appear, in alphabetical order, in the following pages. They appear in the categories into which their peers voted them, although some may practice in more than one area.

The listing is determined solely by lawyers' votes; places on the list are not for sale, nor are they tied to paid advertising.

Ballots were tallied and names verified by the *Georgia Trend* editorial staff.

SLAPPEY & SADD, LLC

Scott Slappey

Jay Sadd

Scott Slappey and Jay Sadd are partners in a law firm that marshals the skills and resources of experienced lawyers to protect the interests of individuals and families in the event of serious personal injury or wrongful death due to negligence. We only handle cases involving serious or catastrophic injury caused by legal negligence. We fight for full and fair justice for all of our clients, many of whom have become our best friends.

We are humbled by the fact that nearly all of our cases are referred to us by our clients and other attorneys. Many of our referrals are received from lawyers who do not handle personal injury or contingent fee cases. We also receive referrals from other personal injury law firms that do not have the time, expertise, or capital resources to properly pursue particular cases. Slappey & Sadd, LLC offers experience, high quality legal representation, resources and results to bring cases to the absolute best conclusions. We are often looked upon by other law firms as their personal injury and wrongful death department when the need arises for one of their clients.
